

If you are a home owner and are over 50 you must read this!

“...it is estimated that over 60,000 elderly people each year are being forced to sell their homes to finance care fees.”

*Counsel and Care.

IF YOU OWN YOUR HOME AND YOU EVER HAVE TO GO INTO CARE, YOU WILL PROBABLY HAVE TO PAY YOUR CARE FEES IN FULL!

Under the terms of the Community Care Act (1990), if you have assets over £23,250 including the value of your home and savings, you have to pay for all your Residential Care Fees.

WHY SHOULD YOUR CHILDREN LOSE PART OR ALL OF THEIR INHERITANCE JUST BECAUSE OF UNFAIR GOVERNMENT POLICY?

Ensure that your home goes where you want it to,to your loved ones.
